

CUSTOM AXLES

NO HASSLE NO WORRIES

18 MONTHS WARRANTY

ON CUSTOM AXLES AND OTHER TRAILPARTS COMPONENTS

We understand that axles are a crucial part of trailer building, which is why Trailparts™ pre-assembled axles come with a full 18 month warranty.

Trailer manufacturers are finding this service saves them time and staff capacity, while still giving them the confidence that their trailers aren't compromised in any way.

- Our axles are made on a laser-set jig which ensures **accuracy**, **consistency** and **quality** of our axles.
- Hubs are fitted, greased and ready to be bolted on your trailer.
- All welds on DURA GALV are protected by zinc paint.
- Packed and delivered to your door.
